COVID Pandemic Exception to Academic Policy and Procedure: Grading 2020-2021 Academic Year:

The Faculty Executive Committee approved the following amendment to the Academic Policy guiding Pass/No Credit (H/P/N) for undergraduate students for the 2020-2021 academic year (Fall 2020, Spring 2021, Summer 2021):

- UNC Charlotte allowed undergraduate students to elect Pass/No Credit (H/P/N) for up to three undergraduate courses for the entire academic year, no more than two per term.
- P is used to signify that the student passed a course with a D or better. H signifies passing with a C or better, and if it serves as a prerequisite, will satisfy progression requirements. N signifies the student completed the course but received no credit.

REPEAT NOTATIONS

A/E/I – Undergraduate and graduate repeat notation. When a graduate student repeats a course, no additional hours accrue, and the last grade replaces the previous grade in computing the grade point average and in the assignment of academic credit. However, all entries remain a part of the student's permanent record. As of Fall 1993, when an undergraduate student repeats a course, no additional hours accrue but all repeated grades are used to calculate the grade point average.

COURSE DESIGNATIONS

O – Fulfills General Education requirements for oral communication goals.

SL – Service Learning integrated into the coursework to serve a pedagogical purpose.

W – Fulfills General Education requirements for writing intensive goals.

The Grade Point Average (GPA), based on 4.0 maximum, is computed for only those hours attempted at UNC Charlotte. Computed hours attempted are called "quality hours (QHRS)."

Course credit earned through transfer, consortium, interinstitutional and UNC Online are excluded from the GPA.

Honors courses prior to Fall 2022 are identified by an "H" suffix to the course number. All honors courses continue to include a designation in the course title.

COURSE NUMBERING SYSTEM AFTER 1986

1000-2999 Lower division undergraduate

3000-4999 Upper division undergraduate

5000-5999 Graduate courses with parallel Undergraduate courses at the 4000 level

6000-7999 Graduate certificate and Master's level courses

8000-9999 Doctoral level courses

FORGIVENESS POLICY

Undergraduate students who have a break in enrollment from UNC Charlotte for a minimum period of 24 consecutive months or undergraduate students who have a break in enrollment from UNC Charlotte for a minimum of one regular semester and earn an Associate of Arts (AA), an Associate of Science (AS), an Associate of Fine Arts (AFA), or an Associate of Engineering (AE) degree are eligible for readmission with forgiveness. Students may be readmitted one time only under this policy.

If a student is readmitted with forgiveness, only those courses for which the student has received a grade of C or above (or H or P) can be used for academic credit. Readmission under the forgiveness policy also resets the student's W-limit to the full 16 hours. The GPA will be based only on the courses that return with the student and the courses taken after readmission. Eligibility for continued enrollment is determined as in the case of transfer students. To qualify for graduation with honors, a readmitted student must have a GPA computed on at least 48 hours taken in residence on which the UNC Charlotte GPA is based.

GRADE REPLACEMENT POLICY

Undergraduate students may replace up to two (2) courses (maximum of 8 hours) for grade replacement. Both grades will be reflected on the transcript. However, the higher of the two grades will be used in calculation of the GPA. This policy applies to courses first taken in Fall 2007 and thereafter. All courses for which a grade of A, B, C, D, or F is earned are eligible for grade replacement.
